2024 KSA EVENTS SPRING TRAINING
DEPARTURE DOCUMENTS

The Time Is Finally Here!

You Are on Your Way to Sunny Orlando, Florida!

KSA Events is proud to be planning the travel arrangements for you and your team!

Once in Orlando, all the students and their coaches, will be following a specific schedule. Tag-Along Fans will have the freedom to follow the same schedule as the team or they can create an individualized itinerary. Please remember that the scheduled times in the itinerary are based upon the needs of the athletes. If the team's needs should change due to any competition changes, an itinerary change may be necessary for everyone. If this should happen, we will be sure to notify you as early as possible.

This document will provide you with tons of important information regarding your trip. Please note, we **STRONGLY** recommend that you read it in its entirety as even the most seasoned traveler will notice that things are done a bit differently when traveling with a large group. Additionally, there is information that will allow you to individualize your own schedule. Should you have any questions, please call 800-813-7193 or email info@ksaevents.net

Please read through this packet thoroughly prior to traveling. It includes information that will help you navigate this amazing trip with your high school team!

Sincerely,
Your KSA Events Spring Training Team

Suggestions For Packing:

- There is no need to bring any formal clothing (Coats & ties, dresses, etc.)
- Do not overpack, leave room for souvenirs!
- It is recommended that all persons with prescription or other vital medical requirements keep such items with them via the use of a carry-on bag of some form.
- Bring comfortable shoes, sunscreen, and a jacket or sweatshirt. (Florida mornings and evenings can be chilly).
- Also, typical of Florida, you can plan at least one brief rain shower during your trip. You can usually wait it out in a restaurant or attraction, but it helps to be prepared with a rain slicker or poncho. (A second pair of dry shoes is not a bad idea either, in case you get caught in the rain!)
- Do not forget your bathing suit - the pool is open late!

Flight Information:

If you are flying on a scheduled service carrier: Delta, Southwest, United, Jet Blue, Frontier, etc., please confirm with the airline direct the night before the flight for any flight changes. Airline tickets purchased through KSA Events will be emailed to you and your coach prior to arrival.

Check-In at Your Airport:

Please allow a minimum of three hours prior to flight time at your departure airport. It is high travel season and security is tight throughout all airports. Do not run late! Remind your students that check-in at the airport is serious, **it is a no nonsense behavior policy!**

Proof Of Identification:

All persons 18 years of age or older must carry a valid government issued photo identification (i.e. driver's license, passport, etc.). The legal name on this identification card must match the name on your travel documents exactly. If there is any spelling or other discrepancy, please notify KSA Events immediately. All person 17 years of age or younger are not required to present photo identification when traveling with a parent or chaperone (In this case, their coaches). It is recommended that all persons carry some form of identification (i.e. driver's license or school ID) if it is available. Please be aware that lack of proper identification can result in denied boarding.

Baggage Requirements and Liability:

- Please check with each individual carrier you are traveling on for their baggage policy.
- One personal item will be permitted in the passenger cabin provided it fits under the passenger's seat. It is recommended that all persons with prescription or other vital medical requirements keep such items with them via the use of a carry-on bag of some form.
- Please know that as per FAA Regulations, liability for loss, damage or delay of baggage shall be limited to approximately \$1,250. (Individual policies may vary per carrier).

Baggage (Con't)

Personal baggage that is cloth, canvas, vinyl and other soft-sided bags as checked baggage will be transported. However, most airlines, and KSA Events, accept no responsibility or liability for damage to such baggage or its contents. To avoid snags and possible damage to your articles during the baggage handling process, please remove all removable straps. Any claims for damaged baggage must be made immediately upon receipt of your luggage. If traveling on a scheduled service carrier, this claim must be made before you leave the airport. If traveling on a chartered aircraft, claims should be directed to your KSA Events travel representative immediately upon receipt of your bags at the hotel.

Arrival at Orlando International Airport (MCO):

Upon arrival into the Orlando International Airport follow the signs to baggage claim. You will see a KSA Events representative at the bottom of the escalators. Don't worry, they are easy to spot! They'll usually find you first but just in case, look for someone in a bright blue KSA Events polo. Proceed to pick up your luggage and they will lead you to your private transportation. If you are arriving separate from the team, after 10:00pm or arriving at a different airport, please contact your KSA Events Representative for instructions on how to transport yourself to the resort.

Land Only Guests:

If you have purchased a land only package, a KSA Events Representative, will meet you at the resort. During the main arrival dates for the event, KSA Events will be waiting for your arrival at the hospitality desk at the resort. If you have made arrangements to arrive before or after your team's scheduled arrival day, prior to your departure please arrange a meeting time with your KSA Events Representative. If you are flying in separate from the team please email your KSA Events account manager your flight schedule prior to travel.

Transportation in Orlando:

As a member of the KSA Events Traveling Group, you will utilize two forms of transportation while in Orlando. Please note your itinerary to confirm method of transportation:

1.Spring Training Transportation – Private motor coach transportation to planned games and practices is available to all Spring Training participants. You will always reload the bus at the same place you unload unless given specific directions otherwise. **Your field transportation is scheduled and will run on the times stated in your itinerary. This transportation is not private to your team, and you may have other team's traveling with you. Please be conscious of your departure times as to be respectful to any other teams who may be on your same shuttle.**

2.Universal Transportation – Available to all persons staying at a Universal Resort. Universal Transportation offers a wonderful transportation system that includes motor coaches and water taxis to access it's many attractions. This transportation system provides you with complete flexibility in planning your personal itinerary. At the Resort, load zones are located in the front of the hotel lobby. A few words of information:

- Check the load zone sign and the sign on the bus before boarding
- (Most Load Zones provide routes to multiple destinations.)
- Buses run approximately every 10 to 15 minutes depending on the time of day.

Departing Resort:

- Your room will be available until 11:00 am on your check out day
- If your flight is leaving later than 2:00pm you may store your luggage at the resort luggage area in the front of your resort or another designated area. Please report back to the resort prior to departing for the airport.
- For guests departing from Orlando International Airport, please refer to your itinerary for your scheduled motor coach departure.

Other Important Information

Name Changes:

Please contact your KSA Events Representative to make a name change on an airline seat if by some chance you or someone in your group cannot make the trip. You will need to provide the legal name of the passenger who is not traveling and the legal name and birth date of the passenger taking his or her place. Name change policies are specific to each carrier. Please contact your KSA Events account manager for your carriers specific name change policies.

Medical Emergencies With The Team:

The team's package does not have a medical policy attached in case of an emergency while in Florida. The procedures as far as injury are as follows: the student who is injured will be transported to the hospital via ambulance or taxi, depending on what the trainer at the facility suggests. An adult (either parent or school official) must accompany the minor along with a copy of the school's medical release form including the family's home insurer. Upon check in at the hospital please submit the home policy as the primary policy and our travel policy as the secondary policy. Our policy will cover many incidentals that home policies will do not cover. Example: taxi cab fare, additional lodging if the student and parent are required to stay longer than the team, it will cover a change in airline reservation date as well as to fly a parent down to stay with a minor if he/she needs to extend a stay. It will not however, cover the deductible of the student's policy. Any bills that may be incurred in Orlando should be paid by the guardian and submitted to the insurance company upon return with receipts for reimbursement. Any secondary expenses should be submitted to us for reimbursement up to a maximum amount of \$5,000.

Security Theme Parks:

Please be aware that Universal has security stations set up at the front of the parks. These stations require you to open all purses, nap sacks, book bags or fanny packs for their security officers to look inside. This can delay your entrance to the parks due to long lines of other guests.

Lockers:

All day lockers are available inside the main entrance of each of the theme parks for a rental fee of \$12 per day, with family size lockers available for \$15 per day. Guests have unlimited access to these lockers during the course of the day.

There are courtesy lockers outside attractions that do not allow loose articles onto the rides. These free lockers typically expire 30 minutes past the wait times of the attractions.

ATM's and Banking:

Automated Teller Machines are available throughout the entire Universal Studios property.

Religious Services:

Please call the resort directly if you would like to make individual arrangements.

Wheelchair/ECV Rentals:

Guests can rent strollers, wheelchairs and electric convenience vehicles (ECV) upon entrance to either theme park, to the left side of each park's entrance. Manual wheelchairs are also available at the rotunda area of the parking structure. Due to limited numbers, please note that ECV rentals are on a first-come, first-serve basis and must be operated by a single person 18 years of age or older.

What If A Game Time Changes:

Although we do our best to ensure games times do not change, sometimes delays occur or a game time needs to be adjusted due to weather or other unforeseen circumstances. If this occurs please be patient. We will work with the coach first to discuss the change and as soon as an adjusted time has been confirmed we will reach out to any KSA Events Tag Along families to pass along the information.

What If The Airline Cancels Your Flight:

If KSA Events has purchased your airline tickets, we will try our best to work with the airline as a liaison to help get your group on another flight. KSA Events is not responsible for any out-of-pocket expenses or flight changes that the carrier may impose. We hire the airline on your behalf based on your approval. If a cancellation occurs please contact your KSA Events account manager immediately and our airline department will begin working on alternative plans. This is rare, but does happen, so please be patient

From the Department of Transportation Website:

"When planning a trip, passengers should remember that airlines do not guarantee their schedules. While airlines want to get passengers to their destinations on time, there are many things that can – and sometimes do – make it difficult for flights to arrive on time. Some problems, like bad weather, air traffic delays, and mechanical issues, are hard to predict and are often beyond the airlines' control.

In the United States, airlines are not required to compensate passengers when flights are delayed or cancelled. Compensation is required by U.S. law only when certain passengers are "bumped" from a flight that is oversold."

Only KSA Events Clients Can Attend KSA Events Functions

We hope that all passengers coming to the event will be traveling in the KSA Events package. The package is all-inclusive, fun, and easy to experience, but we respect the fact that some families may have bought around the package. These families are not our customers on-site. Please do not try to add into group functions such as team meals, transportation or specialty events as this will result in your team being charged for the additional passengers.

KSA Events Components

- All breakfast, lunch, and dinner functions require a ticket and a KSA Events credential (which you will receive at check in).
- If purchased, each passenger has an assigned theme park pass that is non-transferable. When you receive your physical ticket at check-in, please immediately take a picture of the back. If you lose or damage the physical ticket in any way, this picture will help guest service print you a replacement.
- Entrance into the Celebration of Athletes (if this is included in your team's travel package) event is a ticketed admission and is a capacity controlled event.
- The physical components you will receive at check -in, if purchased, are:
 - Theme Park Tickets
 - Meal Vouchers
 - KSA Events Credentials and Commemorative Items
- Please note once received, all physical components cannot be replaced if lost or stolen.

The Use of Hotel Room Phones:

Upon check-in, room phones will be activated for free to receive calls, place room-to-room calls, local calls and emergency calls. There is an additional charge for every other call dialed from the room. Direct dial long distance phone calls will be deactivated but you can make collect or credit card calls from these telephones. Additionally, there are telephones available in the lobby of the resort. We recommend, when at all possible, to use your cell phone for any outgoing calls. Please check with the front desk prior to check out to take care of any incidental charges to your room.
