Dear Coach,

Congratulations again on your decision to participate in the 2024 KSA Events Volleyball Fall Classic Tournament! We are excited to have such a great field of participants. This year, schools from across the country will have the opportunity to travel, compete, and create life-long memories at this very special event. We know that all the teams participating have worked hard to arrive here in Orlando. Speaking from experience, all of the sweat and hard work will be worth it, win or lose, you, your coaching staff, and most importantly your athletes, will never forget their experience.

The attached packet of information is provided to answer questions about your participation in the tournament. It covers a wide range of topics. Please read all sections carefully so you and your team will be fully prepared for your trip.

Thank you again for exposing your team to this educational opportunity. We look forward to seeing you soon. Should you have any questions about the information included in this packet, or any topics not covered, please feel free to call our office at 1-800-813-7193.

Sincerely,
Todd Hayes
KSA Events Tournament Director

Schedule and Tournament Champion

To accommodate the number of teams and varying needs of each, we have altered the format of the tournament from the original diagram you may have received. You will receive a minimum of Six (6) to a maximum of Eight (8) Varsity matches over three days of competition. Should you have any questions, please call our office.

Please be aware that many factors must be taken into account when bracketing teams from multiple states. These include size requirements, school enrollment and other rules that vary from state to state. Additionally, once match-ups were determined, their location within the bracket was sometimes changed to accommodate travel schedules. This information is provided to let all coaches know that the brackets being seen may not indicate actual team rankings within the bracket.

There will be Two (2) Tournament format types being used in this year's Tournament. Each team will be placed in the tournament format based on several factors, including travel schedules and state association guidelines.

Format 1: Round Robin pool format will be utilized for pool play. Standings within the pools will be determined by a progressive list of factors. Starting with an overall win/loss record, any ties between teams in a category will be carried to the next category. (Carries to categories will only be applied to the tied teams.) In the event of a three - way tie, all teams that are tied will be determined from the appropriate tie - break.

1. Overall Win/Loss Record
2. Head to Head Match-Up
3. Total offensive points scored (In first two games of all matches within pool)
4. Total defensive points allowed (In first two games of all matches within pool)
5. Coin Toss

Format 2: Teams will compete in Round Robin games on the first two days of competition. The final day of competition each team will be seeded into a bracket for the final match.

National Federation rules for tie-breaks within a match will be in effect.

Contracts and Sanctioning

The "NFHS APPLICATION FOR SANCTION OF INTERSTATE ATHLETIC EVENT" has been completed for the tournament and filed with the Florida High School Activities Association. After processing, the form will be forwarded to your State Associations for Sanctioning approval. You may have already received a call from your association to confirm participation. In many cases, your State Association will send you a copy of the form after it has been approved. If you have not received a call or have not received a copy of the completed form, do not worry, as the procedures of your State Association may not require either to occur.

The NFHS and each State Association do not require a final distribution of the fully executed form; therefore, our office will not receive nor be able to send to you a final copy of these forms. And as it is not necessary for you to file this form, if you have not heard a specific request from your State Association in regards to the form, no further action on your part is necessary. The form, however, does not supersede any scheduling forms or other documents that your state association may require to be filed. If any such paperwork is necessary, it is still the responsibility of each school to complete such paperwork directly with your State Association.

A LINK HAS BEEN SENT TO YOU AND WAIVERS MUST BE COMPLETED DIGITALLY. PHYSICAL WAIVERS WILL NOT BE ACCEPTED FOR ACCESS TO THE TOURNAMENT.

In our events held around the country, each facility that we use requires a different waiver for participation. The waiver form you are directed to through the link, titled "KSA Events Sports Waiver and Permission Form" must be completed by all participants, coaches, and/or team administrators prior to admission into Game Point Event Center. As you will notice, there are two forms, one for minors and one for adults. Please distribute accordingly, as the "Minor" forms require an adult signature.

Important-No participant or school affiliate will be allowed to enter complex locker or training facilities, step onto the court of play, or participate in any activity unless they submit a completed waiver form.

The head coach or their designee should forward the appropriate waiver links to the parents and Coaches to be completed digitally. These credentials cannot be replaced if lost or stolen without payment for a new one. Coaches should keep track of their own team's credentials and collect them after being used to enter the Game Point Event Center on competition days.

Florida Participants that are not staying at the resort will register at the Game Point Event Center their first day of competition.
