

# ALL PLAYERS MUST COMPLETE AND RETURN THIS FORM

## STUDENT COMMITMENT TO TRAVEL AND RAISE FUNDS

The coaching staff and administration of High School want to ensure that everyone can attend the team's trip in Orlando, Florida. We have fund raisers planned for the coming months to help each individual raise the necessary amount. In order to understand your intent to fund raise and to keep track of your individual account, we need to have you complete this form.

**NOTE:** This trip is optional. Your participation in this trip is not required for you to participate in and does not impact your status on the team when the team returns. If you choose not to go, you will still be on the team. You will practice with the team up until the day the team leaves for Florida and will rejoin the team when they return.
