DEPARTURE
DOCUMENTS

YOU ARE ON YOUR WAY TO SUNNY ORLANDO, FLORIDA!

The Time Is Finally Here!

KSA EVENTS IS PROUD TO BE PLANNING THE TRAVEL ARRANGEMENTS FOR YOU AND YOUR TEAM!

Once in Orlando, all students and coaches, will be following a specific schedule. Tag-Along Fans will have the freedom to follow the same schedule as the team or they can create an individualized itinerary. Please remember all scheduled times on the itinerary are based upon the needs of the team. If the team's needs should change, the itinerary will adjust accordingly. If this should happen, we will notify you as soon as possible.

This document will provide you with tons of important information regarding your trip. Please note, we **STRONGLY** recommend that you read it in its entirety as even the most seasoned traveler will notice that things are done a bit differently when traveling with a large group. Additionally, there is information that will allow you to individualize your own schedule. Should you have any questions, please call **800-813-7193** or email info@ksaevents.net

PACKING & AIRLINE INFO

SUGGESTIONS FOR PACKING:

- There is no need to bring any formal clothing (Coats & ties, dresses, etc.)
- Do not overpack, leave room for souvenirs!
- It is recommended that all persons with prescription or other vital medical requirements keep such items with them via the use of a carry-on bag of some form.
- Bring comfortable shoes, **sunscreen**, and a jacket or sweatshirt. (Florida mornings and evenings can be chilly).
- Also, typical of Florida, you can plan at least one brief rain shower during your trip. You can usually wait it out in a restaurant or attraction, but it helps to be prepared with a rain slicker or poncho. (A second pair of dry shoes is not a bad idea either, in case you get caught in the rain!)
- Do not forget your bathing suit - the pool is open late!

FLIGHT INFORMATION

If you are flying on a scheduled service carrier: Delta, Southwest, United, Jet Blue, Frontier, etc., please confirm with the airline direct the night before the flight for any flight changes. Confirmations for all airline tickets purchased through KSA Events will be emailed to you and your coach prior to arrival. When you arrive at the airport in your departure city you will go to the ticket counter with your confirmation to check your bags and have your boarding pass printed.

**Please check with your airline directly to see any
other travel updates.**

However, most airlines, and KSA Events, accept no responsibility or liability for damage to such baggage or its contents. To avoid snags and possible damage to your articles during the baggage handling process, please remove all removable straps. Any claims for damaged baggage must be made immediately upon receipt of your luggage. If traveling on a scheduled service carrier, this claim must be made before you leave the airport. If traveling on a chartered aircraft, claims should be directed to your KSA Events travel representative immediately upon receipt of your bags at the hotel.

ADDITIONAL IMPORTANT INFORMATION

NAME CHANGES

Please contact your KSA Events Representative to make a name change on an airline seat if by some chance you or someone in your group cannot make the trip. You will need to provide the legal name of the passenger who is not traveling and the legal name and birth date of the passenger taking his or her place. Name change policies are specific to each carrier. Please contact your KSA Events account manager for your carriers specific name change policies.

MEDICAL EMERGENCIES WITH THE TEAM

The team's package does not have a medical policy attached in case of an emergency while in Florida. The procedures as far as injury are as follows: the student who is injured will be transported to the hospital via ambulance or taxi, depending on what the trainer at the facility suggests. An adult (either parent or school official) must accompany the minor along with a copy of the school's medical release form including the family's home insurer. Upon check in at the hospital please submit the home policy as the primary policy and our travel policy as the secondary policy. Our policy will cover many incidentals that home policies will do not cover. Example: taxi cab fare, additional lodging if the student and parent are required to stay longer than the team, it will cover a change in airline reservation date as well as to fly a parent down to stay with a minor if he/she needs to extend a stay. It will not however, cover the deductible of the student's policy. Any bills that may be incurred in Orlando should be paid by the guardian and submitted to the insurance company upon return with receipts for reimbursement. Any secondary expenses should be submitted to us for reimbursement up to a maximum amount of \$5,000.

ONLY KSA EVENTS CLIENTS CAN ATTEND **KSA EVENTS** FUNCTIONS

We hope that all passengers coming to the event will be traveling in the KSA Events package. The package is all-inclusive, fun, and easy to experience, but we respect the fact that some families may have bought around the package. These families are not our customers on-site. Please do not try to add into group functions such as team meals, transportation or specialty events as this will result in your team being charged for the additional passengers.

KSA EVENTS COMPONENTS

- All breakfast, lunch, and dinner functions require a ticket and a KSA Events credential (which you will receive at check in).
- If purchased, each passenger has an assigned theme park pass that is non-transferable. **When you receive your physical ticket at check-in, please immediately take a picture of the back.** If you lose or damage the physical ticket in any way, this picture will help guest service print you a replacement.
- The physical components you will receive at check -in, if purchased, are:
 - Theme Park Tickets
 - Meal Vouchers
 - Resort Mugs
 - KSA Events Credentials and Commemorative Items

Please note once received, all physical components cannot be replaced if lost or stolen.

FREQUENTLY ASKED QUESTIONS

WHAT IF THERE IS A SCHEDULE CHANGE:

Although we do everything we can to stay on schedule, sometimes delays occur or a game time needs to be adjusted. All changes to on field schedule will be posted to Tourny Machine. Please follow your team on tourny machine and allow for notifications so you are informed of any adjustments.

WHAT IF THE AIRLINE CANCELS YOUR FLIGHT:

If KSA Events has purchased your airline tickets, we will try our best to work with the airline as a liaison to help get your group on another flight. KSA Events is not responsible for any out-of-pocket expenses or flight changes that the carrier may impose. We hire the airline on your behalf based on your approval. If a cancellation occurs please contact your KSA Events account manager immediately and our airline department will begin working on alternative plans. This is rare, but does happen, so please be patient

FROM THE DEPARTMENT OF TRANSPORTATION WEBSITE:

"When planning a trip, passengers should remember that airlines do not guarantee their schedules. While airlines want to get passengers to their destinations on time, there are many things that can – and sometimes do – make it difficult for flights to arrive on time. Some problems, like bad weather, air traffic delays, and mechanical issues, are hard to predict and are often beyond the airlines' control.

In the United States, airlines are not required to compensate passengers when flights are delayed or cancelled. Compensation is required by U.S. law only when certain passengers are "bumped" from a flight that is oversold."
