PACKING & AIRLINE INFO

SUGGESTIONS FOR PACKING:

- No formal attire is required – but if you'd like to dress up for the dinner cruise or luau, feel free to! Many guests enjoy wearing a sundress, aloha shirt, or tropical evening attire, but there is no official dress code at any event. Comfort is always key.
- Pack light! Leave a little room in your suitcase for souvenirs and gifts from the island.
- Prescription meds or other essentials should be packed in your carry-on, just in case of travel delays or baggage issues.
- Bring comfortable shoes, sandals or flip flops
- Athletes – don't forget to pack everything you'll need for competition, including uniforms, kneepads, court shoes, and especially a refillable water bottle for use at the hydration stations at the venues.
- Don't forget sun protection – sunscreen, sunglasses, a hat, and a refillable water bottle are must-haves.
- While Hawaii is warm year-round, a light sweater or hoodie is recommended for evenings or breezy nights on the water.
- And of course – don't forget your swimsuit! The beach and pools at Hilton Hawaiian Village are open daily, and you'll definitely want to take a dip.

ADDITIONAL IMPORTANT INFORMATION

NAME CHANGES

Please contact your KSA Events Representative to make a name change on an airline seat if by some chance you or someone in your group cannot make the trip. You will need to provide the legal name of the passenger who is not traveling and the legal name and birth date of the passenger taking his or her place. Name change policies are specific to each carrier. Please contact your KSA Events account manager for your carriers specific name change policies.

MEDICAL EMERGENCIES WITH THE TEAM

The team's package does not have a medical policy attached in case of an emergency while in Hawaii. The procedures as far as injury are as follows: the student who is injured will be transported to the hospital via ambulance or taxi, depending on what the trainer at the facility suggests. An adult (either parent or school official) must accompany the minor along with a copy of the school's medical release form including the family's home insurer. Upon check in at the hospital please submit the home policy as the primary policy and our travel policy as the secondary policy. Our policy will cover many incidentals that home policies will do not cover. Example: taxi cab fare, additional lodging if the student and parent are required to stay longer than the team, it will cover a change in airline reservation date as well as to fly a parent down to stay with a minor if he/she needs to extend a stay. It will not however, cover the deductible of the student's policy. Any bills that may be incurred in Hawaii should be paid by the guardian and submitted to the insurance company upon return with receipts for reimbursement. Any secondary expenses should be submitted to us for reimbursement up to a maximum amount of \$5,000.

USE OF HOTEL ROOM PHONES

Upon check-in, room phones will be activated for free to receive calls, place room-to-room calls, local calls and emergency calls. There is an additional charge for every other call dialed from the room. Direct dial long distance phone calls will be deactivated but you can make collect or credit card calls from these telephones.

ONLY KSA EVENTS CLIENTS CAN ATTEND KSA EVENTS FUNCTIONS

We hope that all passengers coming to the event will be traveling in the KSA Events package. The package is all-inclusive, fun, and easy to experience, but we respect the fact that some families may have bought around the package. These families are not our customers on-site. Please do not try to add into group functions such as team meals, transportation or specialty events as this will result in your team being charged for the additional passengers.

- All breakfast, lunch, and dinner functions require a ticket and a KSA Events wristband(which you will receive at check in).

FREQUENTLY ASKED QUESTIONS

WHAT IF THERE IS A SCHEDULE CHANGE:

Although we do everything we can to stay on schedule, sometimes delays occur or a game time needs to be adjusted. All changes to match times will be posted to the tourney machine website. Please be sure to check the website the night before each day of scheduled competition to reconfirm your team's schedule for the following day.

WHAT IF THE AIRLINE CANCELS YOUR FLIGHT:

If KSA Events has purchased your airline tickets, we will try our best to work with the airline as a liaison to help get your group on another flight. KSA Events is not responsible for any out-of-pocket expenses or flight changes that the carrier may impose. We hire the airline on your behalf based on your approval. If a cancellation occurs please contact your KSA Events account manager immediately and our airline department will begin working on alternative plans. This is rare, but does happen, so please be patient

FROM THE DEPARTMENT OF TRANSPORTATION WEBSITE:

"When planning a trip, passengers should remember that airlines do not guarantee their schedules. While airlines want to get passengers to their destinations on time, there are many things that can – and sometimes do – make it difficult for flights to arrive on time. Some problems, like bad weather, air traffic delays, and mechanical issues, are hard to predict and are often beyond the airlines' control."

In the United States, airlines are not required to compensate passengers when flights are delayed or cancelled. Compensation is required by U.S. law only when certain passengers are "bumped" from a flight that is oversold."
